

National Synchrotron Light Source Activity Report 2001

For the period October 1, 2000 through September 30, 2001

Introduction

Science Highlights

Year in Review

Operations

Publications

Abstracts

Managing Editor
Mary Anne Corwin

Science Editors
Steven N. Ehrlich & Lisa M. Miller

Production Assistants
Nancy Wright & Lydia Rogers

The National Synchrotron Light Source Department
is supported by the
Office of Basic Energy Sciences
United States Department of Energy
Washington, D.C.

Brookhaven National Laboratory
Brookhaven Science Associates, Inc.
Upton, New York 11973
Under Contract No. DE-AC02-98CH10886

DISCLAIMER

This report was prepared as an account of work sponsored by an agency of the United States Government. Neither the United States Government nor any agency thereof, nor any of their employees, nor any of their contractors, subcontractors, or their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed, or represents that its use would not infringe privately owned rights. Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the United States Government or any agency, contractor, or subcontractor thereof. The views and opinions of authors express herein do not necessarily state or reflect those of the United States Government or any agency, contractor, or subcontractor thereof.
